FERPA Consent to Release Student Information

Name: ______ Student ID: #800_____

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law that protects the privacy of student education records, both financial and academic. For the student's protection, FERPA limits release of non-directory information (such as academic or financial information) from a student's record without the student's explicit written consent. However, FERPA allows schools to disclose records without consent to certain parties under certain conditions.

By signing this document, I am giving or revoking consent that officials from the office for ACCESS at SIUE may discuss the contents of my academic record (including courses, grades, and degree progress) with the following parties. I understand that I may revoke consent at any time by submitting a revised form. Additional individuals can be identified by submitting additional forms

(Note: this Consent does not cover medical records held solely by Counseling Services, or other offices collecting similar files across campus - contact those offices for consent forms.)
