SOUTHERN ILLINOIS UNIVERSITY EDWARDSVILLE

Dear Honors Day attendees,

Welcome to the College of Arts and Sciences' (CAS) Honors Day! This is such an exciting event and a chance for us to celebrate the accomplishments of students in 21 departments and programs throughout the College. After commencement, CAS Honors Day is the largest event that recognizes student achievement at SIUE. Today, more than 300 students will be honored as recipients of nearly 360 different scholarships and awards.

As we gather together, we applaud our students for their achievements in the classroom, laboratories and research sites, studios and stage, internship sites, and throughout their courses of study during their college careers. We also show our appreciation to their families and support networks and the SIUE faculty, staff and administrators who assisted them.

We are especially grateful for the friends, alumni, donors, and emeriti faculty who provide funding for the awards and scholarships in the College. We are thankful for the role you play in our students' successes and appreciate your support and commitment.

A handwritten signature in cursive script, reading "Kevin A. Leonard".
