# Key Roles of a Leader Workshop

Dave Heth

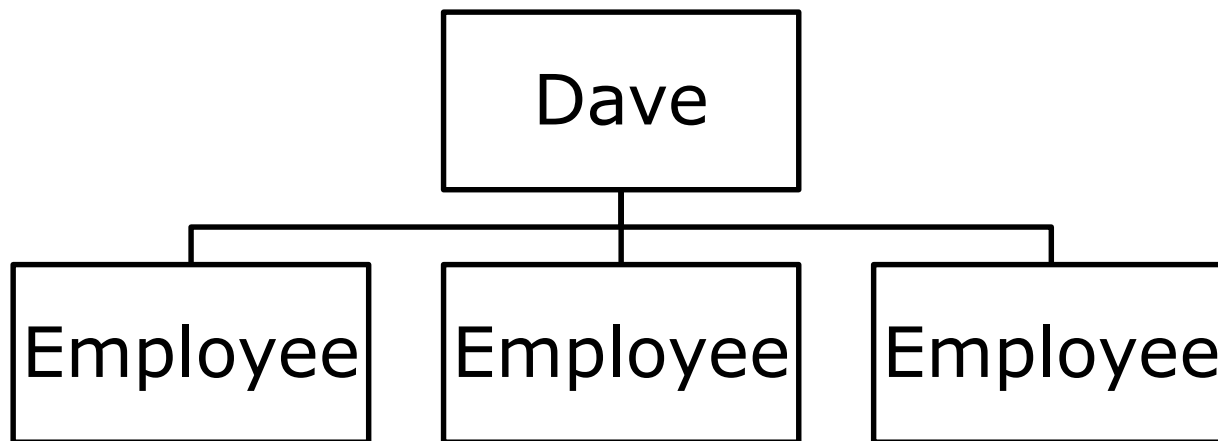

Leadership Trainer

SIUE Director of Financial Affairs, Retired

November 22, 2019

# Am I a Great Leader?

---

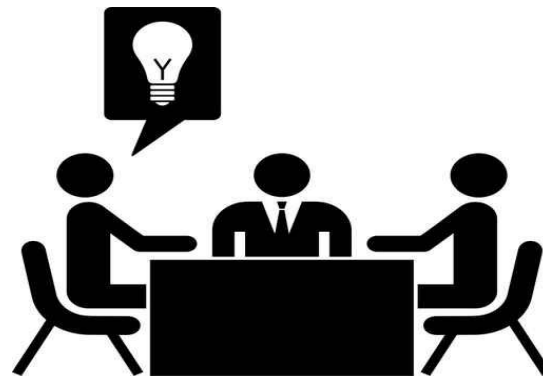

What does it take?

# Today We Will...

---

- Brainstorm leader roles.
- Share my four key roles.
- Discuss how to achieve them.
- What are YOUR key roles?
- How will you achieve them?

# Key Roles of a Leader

---

Leader roles, responsibilities, duties, objectives, skills

Key leadership roles

# Servant Leadership

---

What resources and support do your people need?

# Four Types of Employees

---

How are you developing your people?

# Whose Vision Statement is It?

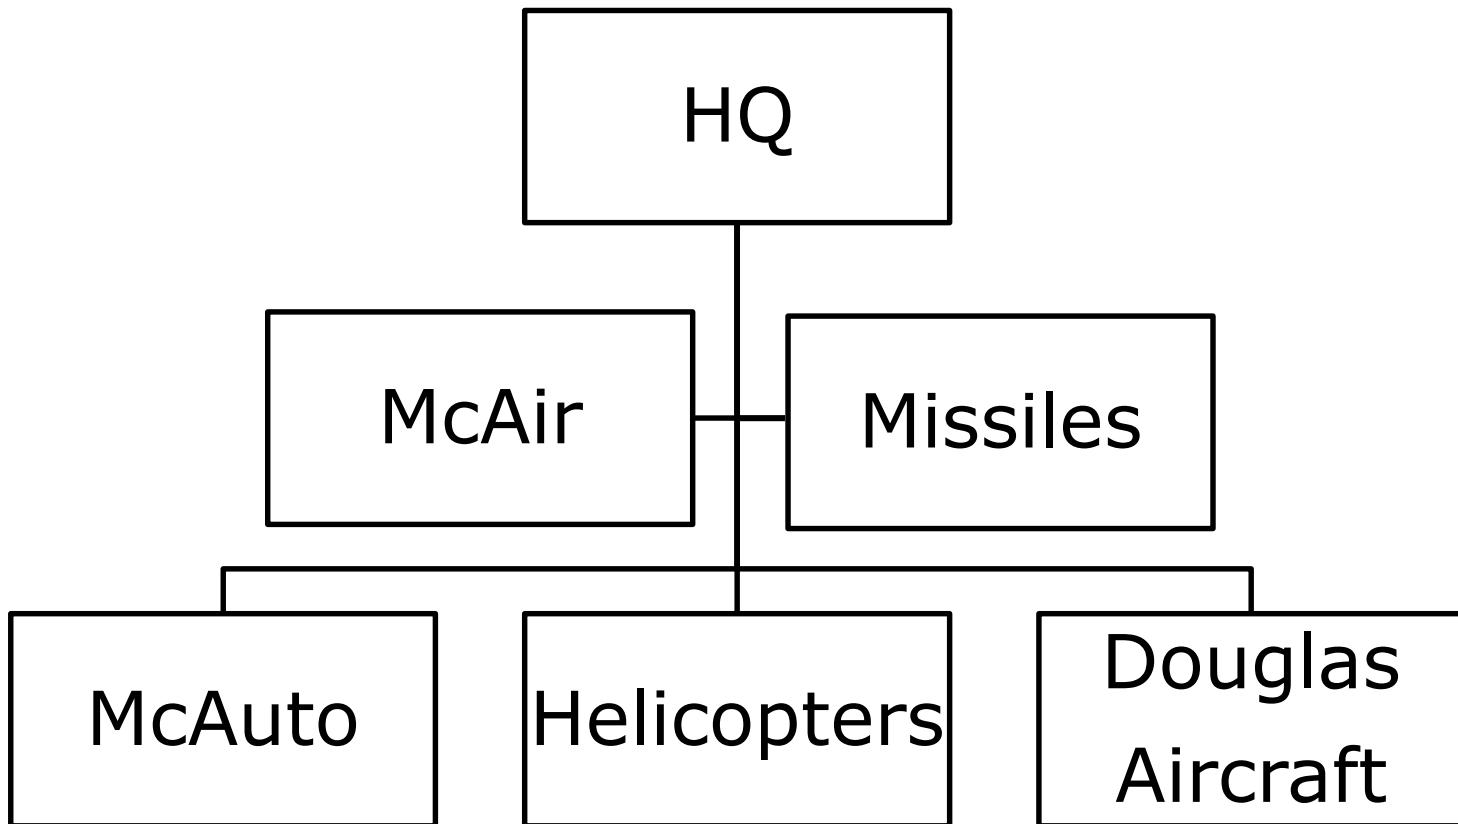

---

Do your people know what success looks like?

# True Story: McDonnell Douglas Corp.-1991

---

# Group Work

---

1. What specific resources and support might your people need?
2. Where might you get ideas for improvements?
3. How might you help develop your people?
4. What might the destination situation of a Project Management department include?

# Leadership Development

---

- We promote people to leadership positions without training them how to do it
- The leadership skill set differs from technical skill sets
- Continuing education can help
