Diversifying Higher Education Faculty in Illinois 2023-2024 New Application

New Applicant Name _____

IMPORTANT INFORMATION

The Diversifying Higher Education Faculty in Illinois Program (DFI) was established by the Illinois General Assembly and signed as Public Act 093-0862 on August 4, 2004. The purpose of DFI is to provide Fellowships to students pursuing post-baccalaureate degrees as part of the state's effort to diversify the faculties and professional staffs at Illinois higher education institutions.

The DFI Program Board is committed to full funding. Program funding for the 2023-2024 academic year (Fiscal Year 2024) is contingent on the availability of funds appropriated by the Governor and Illinois General Assembly.

Completed applications are to be submitted to the Institutional Representative at your participating institution (<https://www.ibhe.org/dfiinstRep.asp>) by the due date.

*Please note that information and requirements contained in this document are subject to modifications by the DFI Program Board, as incorporated in the DFI Program administrative rules.

DFI provides financial assistance, based on demonstrated financial need, for members of traditionally underrepresented groups who are pursuing full-time enrollment and completing graduate degrees at Illinois institutions of higher education. DFI is a program for graduate students traditionally underrepresented in higher education who have received high school diplomas or postsecondary degrees from educational institutions in Illinois and who have three or more years of residency in Illinois and are citizens or permanent residents of the United States. Applicants compete in a statewide competition for DFI awards at over 30 Illinois institutions.

Selection of award recipients in this rigorous competition is based on a comprehensive review of the application materials. All academic fields at the master's and doctoral level will be considered for this award, however, the DFI Program Board has established the following priorities: applicants interested in obtaining a full-time instructional/administrative position in Illinois higher education; applicants pursuing degrees in any of the sciences, technology, engineering, or mathematics (STEM) fields; and applicants pursuing a doctorate or other appropriate terminal degree. Stipend levels are subject to appropriations by the Illinois General Assembly. **Full-time enrollment is required while on fellowship.** Some participating institutions also provide a tuition waiver/scholarship. Applicants should check with the DFI Institutional Representative for specific information. The award is renewable for one year for master's students and up to three years for doctoral students, contingent upon the recipient making strong academic progress toward completion of the degree. Renewal definitions also are subject to revision by the DFI Program Board and administrative rules.

GENERAL INFORMATION

Terms of the Award

Upon graduation or separation from the DFI institution, an award recipient **must agree to accept (actively seek)**, when offered, a teaching or non-teaching full-time appointment at an Illinois postsecondary educational institution or accept a position as an employee of this state in an administrative, educational-related position equal to the number of years for which he or she receives the DFI fellowship. Students failing to fulfill this condition of the award shall be required to repay 20 percent of their cumulative award amount, subject to revision by the DFI Program Board.

The DFI Award is available for a maximum of four years:

- Master's (2) years, Doctorate (2) years; or
- Doctorate (4) years

A Fellow can only receive two years of Master's-level funding and two years of Doctorate-level funding, or four years of Doctorate-level funding. The DFI award is available for a maximum of four years.

Participant Eligibility

Applicants must meet the following eligibility criteria:

- **ILLINOIS RESIDENCY:** To be classified as an Illinois resident, an applicant must have received a high school diploma or postsecondary degree from an accredited educational institution in Illinois and have three or more years of residency in Illinois.
- **UNDERREPRESENTED GROUPS:** "Traditionally underrepresented minority group" means any of the minority groups designated in the Act which are represented in Illinois post-baccalaureate enrollment at a percentage rate less than the percentage of the minority group's representation in the total Illinois population.
- **ACADEMIC ABILITY:** Applicants must possess above average academic ability as evidenced by:
 1. An earned baccalaureate degree from an accredited institution of higher learning;
 2. A minimum grade point average of 2.75 (scale 4.0 = A) in the last 60 hours of undergraduate work and over a 3.2 (scale 4.0 = A) in at least 9 hours of graduate study;
 3. Unconditional admission to a post-baccalaureate degree program.
- **ACADEMIC PURSUIT:** Applicants in all academic disciplines are eligible. Candidates pursuing degrees in any of the sciences, technology, engineering or mathematics (STEM) fields are encouraged to apply and will receive priority consideration. Applicants must be pursuing a doctorate, terminal master's or master's degree.
- **FINANCIAL NEED:** Applicants must demonstrate financial need. A FAFSA must be filed each year (by **February 14, 2023**) to maintain eligibility.

FINANCIAL INFORMATION FORM

The Diversifying Higher Education Faculty in Illinois Program is a financial needs-based fellowship. All applicants are required to complete the Free Application for Federal Student Aid (FAFSA), which is a standard among all postsecondary institutions in determining financial need.

You may complete the FAFSA online at www.fafsa.ed.gov. It will take approximately 30 to 45 minutes to complete the form. Be sure to follow the directions carefully and have the required documentation on-hand that is necessary to complete the form correctly. You also may complete a FAFSA Renewal Application at this site if you submitted a FAFSA last year. If you choose to use a Renewal FAFSA, you will only need to provide current answers to financial and tax questions. You also must update any information that has changed since last year. According to the FAFSA website, you will need the following documentation to complete the form correctly:

- * Student's driver's license and Social Security card;
- * W-2 Forms and other records of money earned in 2022;
- * 2022 income tax return (IRS Form 1040, 1040A, 1040EZ; Trust Territory tax; return; or foreign country tax return);
- * Records of untaxed income, such as welfare, Social Security, Aid to Families with Dependent Children (AFDC) or Aid to Dependent Children (ADC), TANF (Temporary Assistance to Needy Families), or veterans benefits;
- * Current bank statements;
- * Current mortgage information for businesses and investments;
- * Business and farm records;
- * Records of stocks, bonds, and other investments.

Two weeks after completing the online FAFSA, you may follow up on their website to receive your Student Aid Report (SAR), which contains your Expected Family Contribution (EFC). Financial need is the difference between your EFC and your school's cost of attendance (which can include living expenses), as determined by the school.

You also may complete the FAFSA or FAFSA Renewal manually by obtaining an application from the financial aid office at your institution.

****APPLICANTS MUST COMPLETE THE FAFSA ONLINE NO LATER THAN:**

FEBRUARY 14, 2023, or have an SAR on file with your institution's financial aid office no later than February 14, 2023.
