

School of Engineering Senators 2020-21 Goals

Senator Jones:

- Have multiple events with freshmen through-out the semester
- Get more representation from organizations in the School of Engineering
- Have a survey that collects data thought-out the whole semester instead at the end of it
- Host a few virtual speakers

Senator Randolph:

Email the Dean and Associate Dean of the School of Engineering

- Ask about any concerns/questions
- Discuss plans/events for this year
- Send a student survey in Engineering School Newsletter to hear concerns/feedback for this year
- Host a virtual event for freshman to learn about different engineering fields, clubs, and to provide advice for this year
- Work with SWE (Society of Women Engineers) to host a program/event to show appreciation to women engineers
- Meet with Engineering Focus Interest Community (possibly virtual)
 - Have a survey
 - Answer questions that they might have
