Meet the Learning Resource Center's New Counselor/Tutor, Norman Robinson!

Can you tell us a little about yourself, Norman?

I attended Florida A&M University and SIUE with a Bachelor's degree in English. I have worked in the St. Louis Public School system from 2006 to 2018. I am also an entrepreneur with my own health coaching business called Natural Results Now and I own a digital marketing service called NR Digital Marketer. I enjoy teaching, creating programs, helping people and being on the cutting edge of technology when it comes to education and self learning.

Tell everyone about your new position here in the LRC.

I am the newly appointed Counselor/Tutor, providing tutoring services to program participants and students on the SIUE ESLC campus. In addition, I am the community educator who will be creating technological and tutoring programs for grade school, middle, high school, and also for adults who desire such services as TABE Testing and ACT prep, website building, resume building, and much more.

What kinds of upcoming programming do you have planned?

TABE Test Prep, Resume Building, Website Development, Keyboard Shortcuts, Picture Animation, Unknown Gmail Applications. Each month we will add more as needs increase.

You're working in a library now! What's your favorite book?

My favorite book is *Natural Cures What They Don't Want You to Know* by Kevin Trudeau.

On Friday, May 17, the entire LRC staff attended the Reaching Forward South library conference at SIU Carbondale. With programs such as Video Games in the Library, Drag Queen Story Hour, and What's Trending in Digital Lending, we got some interesting new ideas for the Learning Resource Center, as well as informative networking with other Southern Illinois librarians. Most importantly, we got some quality bonding time with our awesome coworkers!

The Learning Resource Center is heavily booked during the summer months with computer and reading programs. Need to request the computer lab or conference room? Do it ASAP!

May Recap

Mothers Day Make-and- Take Card Class:

On Thursday, May 9 from 12-1 p.m., a group of ESLC employees met in the LRC and made these too-cute-for-words cards, courtesy of Library Director Rebecca Harper. I don't know about everyone else, but my mom loved hers! :)

Women's Self-Defense Class:

A full group of women joined SIUE Police Officer Katelyn Kircher for a basic self-defense presentation on Monday, May 20 from 11 a.m.-1 p.m.

Financial Planning Series:

Banking and Budgeting-May 8

Saving For an Emergency-May 15

Credit and Credit Score-May 22

For the last time this fiscal year, Nikki Woelfel joined the Learning Resource Center for a three-part Lunch and Learn presentation focusing on Financial Planning and budgeting. As these are always well-received and well-attended Lunch and Learn events, we will definitely have Nikki back again in the Fall. Stay tuned to our Facebook page and get on our mailing list for details!

Photography Class Lunch and Learn:

On Wednesday, May 29 from 12-1 p.m., the LRC hosted a Lunch and Learn presentation on photography. One of the main focuses was on how to use your Smart Phones and other tech devices to take better pictures!
