New in the LRC!

The Learning Resource Center is looking even better than ever after some additions over the summer. Along with a fresh coat of paint in our children's area and small group room, we have expanded our YA, juvenile, and children's book collections onto some brand new, SIUE red bookshelves! We now have even more room to grow. Stop by and check out the newest additions to the LRC space!

Please notice the LRC hours have changed slightly starting in September. We will now be open until 6:30 p.m. on Tuesdays, Wednesdays, and Thursdays!

The Learning Resource Center, along with Nikki Woelfel from Carrollton Bank, once again hosted a three-part Financial Planning Lunch and Learn series in the LRC's Conference Room from **12:15-1:45 p.m.**

Each **Wednesday** session focused on a different topic; Banking and Budgeting on **August 6**, Saving for an Emergency on **August 13**, and concluding with Credit and Credit Score on **August 20**.

The LRC will host Carrollton Bank for another three-part Lunch and Learn series starting on Tuesday, November 5 and continuing on the subsequent Tuesdays, November 12 and 19. It's never too early to sign up, so let us know you want to attend and secure your spot, and your lunch!

Summer 2019 Recap

During June, July, and August, the Learning Resource Center was jam-packed with various summer programs. The Delight Enrichment Camp, an East St. Louis community religious organization camp, brought their campers to us weekly. Above are some images from our end of the year Ice Cream social with the Delight campers where we brought treats to them!

We also hosted Project Success in our computer lab and children's area for storytime for the younger participants and computer classes for the older participants. They got their own end of the summer Ice Cream social too!

The LRC conducted a Summer Reading Program, where children K-12 earned Reading Rewards Dollars for the time they spent reading this summer. Those rewards dollars could then be exchanged for fun treats, new books, games, puzzles, and other prizes!

Along with all the students and campers running around, the LRC also continued to provide Resume & Interviewing Workshops each month, as well as a Typing/Keyboarding class for anyone looking to improve their job search or computer skills.

On top of everything else, we found the time here in the LRC to celebrate Harry Potter's birthday on Wednesday, May 31. Check out our Facebook or Instagram from that day to see the fun and festive pictures!
